

# RETURN TO WORK WITH ReEMERGE

At DTCC we recognize that getting back into a career after a break can be a challenge and hard to navigate. You know you have the skills, drive and dedication – it is finding the right opportunity at the right company.

Re-Emerge is return to work program designed for individuals who want to restart their career after a minimum two-year break. We offer two programs – a 12-week non-tech, and a 16-week tech program.

During the internship which is based in our Jersey City headquarters (some opportunities are based at our other locations), you'll experience our unique culture through hands-on projects, leadership development and networking opportunities.
